

## Tebie Tegenew

**Nationality:** Ethiopian **Date of birth:** 7 Oct 2004 **Place of birth:** Ethiopia

**Gender:** Male

**Home:** (Ethiopia)

### ABOUT ME

IT student and aspiring full-stack software developer with hands-on experience developing web applications using React, Node.js, and Express.js. Experienced in database design, authentication, role-based access control, REST APIs, and modern frontend development. I have gained practical experience through academic projects, software engineering internship work, and technology-driven entrepreneurial projects. Interested in building scalable digital solutions and growing as a professional software developer.
